

JUNE 2022 NEWSLETTER

Enjoy the Summer

by Signe Pagel

As the 2021 - 2022 women's ministry season at New Hope draws to a close, I'd like to thank the members of our Leadership Team for the guidance they gave this past season to the selection and teaching of Bible study topics, for ideas, planning, and execution of activities, for prayer support for the members of New Hope, our community, nation, and the world, and for being disciples to women on the path to a greater knowledge and love of Jesus.

Like many of you, we are taking a bit of a break this summer to re-charge and to refresh our minds and spirits and to spend time in independent study of God's word. Our team, with some new members, will also be engaged in planning the women's ministry programs for the 2022 - 2023 season. Our Newsletter is taking a break, too, and will resume with the September issue.

May you have a wonderful summer of fun, travel, worship, and family activities!
