

SUMMER INTERNSHIP

We are super excited to welcome **Lorelai Witenko** as a summer youth intern from May to July! She will begin on May 10th.

Meet Lorelai

Hi! I'm a student at the University of Florida, where I'm majoring in Health Sciences. I grew up at New Hope, so I'm really excited to return this summer as a youth ministry intern!

The community at this church has been instrumental in my faith journey, and I'm incredibly grateful for the leaders and friends who have supported me over the years. They were there for me through each of the ups and downs of life and helped prepare me with a firm foundation in my relationship with God as I moved out on my own. I hope to be that same friend and mentor for these students this summer.

I truly value building genuine relationships with God's people, so I'm looking forward to spending time with the students these next few months and encouraging them in their faith. And of course, I'm always down for a good game of bowling, Bible journaling session, or cup of coffee!

I'm so excited for what the Lord has in store, and I'm praying He uses this summer to make a lasting impact in the lives of the students!

We hope you all are as excited as we are to welcome her to the team! -Ashleigh
